Federal Communications Commission (FCC) Statement

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- ☐☐☐ Consult the dealer or an experienced radio/TV technician for help.

90-DAY LIMITED WARRANTY

LiteTunes warrants to the original consumer/purchaser of the LiteTunes that it will be free from defects in material and workmanship for a period of 90 days from date of purchase. Any liability of LiteTunes under this warranty shall be limited to the repair or replacement of defective parts without charge if the item is returned with shipping charges prepaid together with proof of date-of-purchase, name and mailing address of the original consumer/purchaser and a description of the defect. Please call warranty service at 1-800-681-3814 for a claim number and instructions on how and where to return the item.

LiteTunes shall not be liable for any other damages or loss. Some states do not allow the exclusion or limitation of incidental or consequential damages. Accordingly, the limitation or exclusion may not be applicable to certain consumers/purchasers.

This warranty does not cover defects caused by damage in transit, abuse, accident, negligence or repairs made by others. This warranty gives the consumer/purchaser specific legal rights. The consumer/purchaser may also have other rights which vary from state to state.

There is no need to register your purchase; however it is most important that you retain your sales receipt as proof of purchase. Receipt is required for warranty service. Please note this warranty is non-transferable and is voided if the product is not used as intended. Please contact our customer service line at 1-800-681-3814 for warranty service and trouble shooting hints.

STORAGE: Disassembled LiteTunes can be stored in its original box. Store LiteTunes in a cool dry place where the temperature does not exceed 100 degrees Fahrenheit.
