FIREDISC® DEEP OWNER'S MANUAL

FIREXDISC®

DEEP 36"

Congratulations! You now own a FireDisc Cooker®. FireDisc Cookers® are the finest, most durable cookers on the market today. FireDisc Cooker® products are designed in the USA from non-corrosive carbon steel, are available in two colors, and are guaranteed to last a lifetime.

All FireDisc® products come standard to directly connect to a (16.4 oz) propane tank. All FireDisc® cookers are also fully adaptable to the traditional large (20 lb) propane tanks. FireDisc® highly recommends using 16.4oz tanks for extra portability and ease of use. ** (20 lb) propane tank adapters are sold separately and are available online at www.FireDiscCookers.com and at select retail locations near you.

FIREXDISC®
DEEP 24"

Love the design of the FireDisc 36-inch Deep but don't have room to store it? Make way for the FireDisc 24-inch Deep. It has all the great features of the FireDisc 36-inch Deep, but is only 24-inch tall. The cooking surface offers the same seasoned-effect as its older brother, providing you with restaurant quality food each time you cook.

If you're headed to the football game to do some tailgating, you can't bring your entire BBQ, but you sure can fold up your FireDisc 24-inch Deep and slide it into your trunk or truck bed. Once you arrive at the stadium, pull it out, hook it up to a large or small propane tank, and start cooking. Get stuck on a uneven surface? No worries! The FireDisc 24-inch Deep features an adjustable stand that ensures you'll always have a flat cooking surface.

Don't let its size fool you - this cooker is built to be tougher than anything you can throw at it. Camping, tailgate parties, hunting camps, the FireDisc 24-inch Deep will cooker through the toughest conditions. Added Bonus: It's and-crafted and powder coated at 450 degrees.

Whether you're cooped up in an apartment wishing you had a BBQ, or looking for something you can throw in your car trunk on the way to the football game, the FireDisc 24-inch Deep is perfect for you. Color options include choice of red or black. As soon as you're ready, the FireDisc 24-inch Deep is ready to cook.

Just like the FireDisc© 36, the FireDisc© 24-inch Deep comes with a 5-year warranty and is designed to last a lifetime. We challenge each customer to put the FireDisc to the test and you'll quickly find it to be the most durable, best designed, highest quality, portable cooker you can buy. Get yours today and become a part of the family of satisfied FireDisc© Mini owners. Buy the name brand, buy quality, and buy the Deep FireDisc© 24-inch Deep.

SET-UP INSTRUCTIONS

SETTING UP YOUR FIREDISC COOKERS® IS QUICK AND EASY

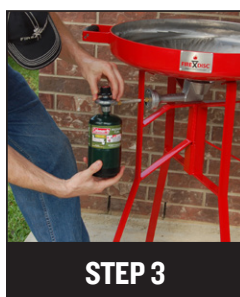

STEP 1: Unfold the FireDisc Cooker® and stand upright with feet on ground. *Make sure stand is steady and on even ground. If this is not the case, bend legs outward as needed to make sure stand is sturdy before setting disc (FireDisc Cooker®) on top of Stand

STEP 2: Set disc (FireDisc Cooker®) on top of stand as shown

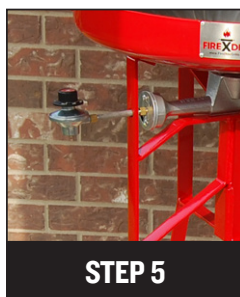

STEP 3: Screw on small or large propane tank as shown.

STEP 4: To Light - Keep face and hands away from burner at all times. Turn gas regulator to the low position. Light with long-ended lighter. Safely adjust heat as needed for appropriate cooking temperature.

STEP 5: Turn off. Make sure gas regulator is turned to the off position at all times when finished cooking or when FireDisc Cooker® is not in use.

FIREDISC COOKERS® CARE & MAINTENANCE

- Wipe down FireDisc Cooker® with cooking oil after each use (Any kind of household cooking oil is acceptable). Do not use a wire brush to clean. Using the wire brush wears away your cooker and creates holes for rust to form. The FireDisc Shovel is the best tool for cooking and cleaning. Mild soap and water is ok if necessary.
- Make sure cooker is completely dry before storing to prevent rust.
- Always disconnect propane after each use.
- Store cooker away from the elements. A rainproof tarp or inside storage is recommended when cooker is not in use.

WARRANTY INFORMATION

In general, cookers manufactured by TEXAS CUSTOM CookerS, LLC® are warranted against defects in material and workmanship for five (5) year from the date of purchase and all parts and accessories are warranted against defects in material and workmanship for one (1) year from the date of purchase. However, you must refer to your Owner's Guide for the warranty terms that apply to your particular product.

This warranty applies only to the ORIGINAL PURCHASER and is not transferable. Therefore, we require reasonable proof of your date of purchase. Therefore, you should retain your sales slip or invoice.

This limited warranty is limited to the repair or replacement of parts that prove defective under normal use and service and which on examination, to TEXAS CUSTOM CookerS, LLC' satisfaction, they are defective. If warranty applies, the manufacturer will repair or replace, at their discretion, the cooker or any part or component that is deemed defective without charge. In the event of parts availability issues, the manufacturer reserves the right to substitute like or similar parts that are equally functional.

This warranty is void if the cooker is used commercially, structurally altered or subjected to stress beyond the physical limits of the materials used in body or components, or is damaged as a result of abnormal use. This limited warranty does not cover any failures or operating difficulties due to accident, abuse, misuse, alteration, misapplication, vandalism, improper installation or improper maintenance or service, or failure to perform normal and routine maintenance. Normal wear and tear and deterioration or damage due to severe weather conditions such as hail, hurricanes, earthquakes or tornadoes is not warranted. This limited

warranty applies to the functionality of the product ONLY and does not cover cosmetic issues such as scratches, dents, corrosions or discoloring by heat, abrasive and chemical cleaners or any tools used in the assembly or installation of the appliance, surface rust, or the discoloration of stainless steel surfaces.

There are no other express warrants except as set forth herein and any applicable implied warranties or merchantability and fitness are limited in duration to the period of coverage of this express written limited warranty. This warranty does not include any manufacturer responsibility for any special, incidental or consequential damages resulting from the use of the cooker. If warranty applies, the manufacturer will repair or replace, at their discretion, the cooker or any part or component that is deemed defective.

Neither dealers nor the retail establishment selling this product has any authority to make any additional warranties or to promise remedies in addition to or inconsistent with those stated above. TEXAS CUSTOM CookerS' maximum liability, in any event, shall not exceed the purchase price of the product paid by the original purchaser.

TEXAS CUSTOM CookerS, LLC® reserves the right to change products and designs without incurring any obligations to you and incorporate such changes into already completed products, or those in the hands of dealers or consumers. Products prepaid or replaced under this warranty may or may not incorporate these changes. Damaged products must be returned directly to TEXAS CUSTOM CookerS, LLC® with postage and or freight pre-paid by the consumer for review and examination. Please include a copy of original sales receipt.
