## Safety Data Sheet

### Section 1: Identification

| Product identifier           |  |  |  |
|------------------------------|--|--|--|
| Product Name                 | STA-BIL Rust Inhibitor - Aerosol   |  |  |
| Synonyms                     | 595489   |  |  |
| Product Code                 | 22003  |  |  |
| Relevant identified uses o   | f the substance or mixture and uses advised against  |  |  |
| Recommended use              | No data available  |  |  |
| Details of the supplier of t | he safety data sheet   |  |  |
| Manufacturer                 | Gold Eagle Co.   |  |  |
|                              | 4400 S. Kildare Avenue<br>Chicago, IL 60632-4372<br>United States<br>http://www.goldeagle.com/ |  |  |
| Telephone (General) •        | 773-376-4400   |  |  |
| Emergency telephone number   |  |  |  |
| Manufacturer                 | 1-800-535-5053 - (INFOTRAC #22283)   |  |  |

### **Section 2: Hazard Identification**

United States (US) According to: OSHA 29 CFR 1910.1200 HCS

### Classification of the substance or mixture

| OSHA HCS 2012 | <ul> <li>Skin Irritation 2</li> </ul> |
|---------------|---------------------------------------|
|               | Flammable Aerosols 1                  |
|               | Liquefied Gas                         |
|               | Eye Irritation 2                      |

Label elements

**OSHA HCS 2012** 

### DANGER

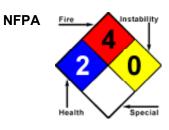

Hazard statements · Extremely flammable aerosol Contains gas under pressure; may explode if heated Causes skin irritation Causes eye irritation

#### **Precautionary statements**

**Prevention** • Keep away from heat, sparks, open flames and/or hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use.

| F                              | esponse • | <ul> <li>Wash thoroughly after handling.</li> <li>Wear protective gloves/protective clothing/eye protection/face protection.</li> <li>Keep out of reach of children.</li> <li>Read label before use.</li> <li>Do not breathe dust, fume, gas, mist, vapours and/or spray.</li> <li>Do not eat, drink or smoke when using this product.</li> <li>IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.</li> <li>If skin irritation occurs: Get medical advice/attention.</li> <li>IF eye irritation persists: Get medical advice/attention.</li> <li>IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician if you feel unwell.</li> <li>IF IN HALED: Call a POISON CENTER or doctor/physician if you feel unwell.</li> <li>IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.</li> </ul> |
|--------------------------------|-----------|---|
| Other hazards<br>OSHA HCS 2012 | •         | No data available   |

## Other information

# Section 3 - Composition/Information on Ingredients

## Substances

### **Mixtures**

| Composition                          |              |       |           |   |
|--------------------------------------|--------------|-------|-----------|---|
| Chemical Name                        | Identifiers  | %     | LD50/LC50 | Classifications According to Regulation/Directive |
| Propane                              | CAS:74-98-6  | 8.7%  | NDA       | OSHA HCS 2012:                                    |
| Butane                               | CAS:106-97-8 | 22.2% | NDA       | OSHA HCS 2012:                                    |
| Not hazardous under OSHA regulations | CAS:         | 69.1% | NDA       | OSHA HCS 2012:                                    |

## **Section 4: First-Aid Measures**

## Description of first aid measures

| Inhalation | <ul> <li>Get medical attention immediately. Give artificial respiration if victim is not breathing.<br/>IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a<br/>position comfortable for breathing.</li> </ul> |
|------------|--|
| Skin       | <ul> <li>After contact with skin, take off immediately all contaminated clothing and wash<br/>immediately with plenty of fresh water. If irritation develops and persists, get medical<br/>attention.</li> </ul>                                   |
| Eye        | • IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical   |

advice/attention.

Ingestion

• If swallowed, seek medical advice immediately and show this container or label.

### Most important symptoms and effects, both acute and delayed

No data available

Indication of any immediate medical attention and special treatment needed

| Section 5: Fire-Fighting Measures                     |   |  |
|---|---|--|
| Extinguishing media                                   |   |  |
| Suitable Extinguishing Media                          | <ul> <li>SMALL FIRES: Dry chemical, CO2, water spray or regular foam.<br/>LARGE FIRE: Water spray, fog or regular foam.</li> </ul>  |  |
| Unsuitable Extinguishing<br>Media                     | No data available.  |  |
| Firefighting Procedures                               | <ul> <li>As an immediate precautionary measure, isolate spill or leak area for at least 50 meters (150 feet) in all directions.</li> <li>LARGE FIRES: Dike fire-control water for later disposal.</li> <li>Keep out of low areas.</li> <li>Keep unauthorized personnel away.</li> <li>Stay upwind.</li> <li>Ventilate closed spaces before entering.</li> </ul> |  |
| Special hazards arising from the substance or mixture |   |  |

| Unusual Fire and Explosion<br>Hazards | • | Contains gas under pressure; May explode if heated.<br>Extremely Flammable Aerosol.<br>Vapors may travel to source of ignition and flash back.<br>When heated, vapors may form explosive mixtures with air: indoors, outdoors and<br>sewers explosion hazards. |
|---------------------------------------|---|--|
| Hazardous Combustion<br>Products      | • | Vapors form explosive mixtures with air: indoors, outdoors and sewers explosion hazards.   |
| Advice for firefighters               |   | Fire fighters about wear complete protective elething including celf contained   |

Fire fighters should wear complete protective clothing including self-contained breathingapparatus.

## **Section 6 - Accidental Release Measures**

### Personal precautions, protective equipment and emergency procedures

**Personal Precautions** Do not walk through spilled material. Avoid contact with skin, eyes, and clothing. Ventilate the area. Do not breathe mist, vapours and/or spray. · No data available **Emergency Procedures** Environmental precautions

· No data available

### Methods and material for containment and cleaning up

| Containment/Clean-up<br>Measures | <ul> <li>LARGE SPILLS: Dike far ahead of spill for later disposal.<br/>SMALL SPILLS: Take up with sand or other non-combustible absorbent material and<br/>place into containers for later disposal.<br/>Do not flush to sewer or allow to enter waterways.<br/>Use appropriate Personal Protective Equipment (PPE)</li> </ul> |
|----------------------------------|--|
|                                  |  |

### Section 7 - Handling and Storage

## Precautions for safe handling

Keep away from fire - No Smoking. Avoid contact with heat and ignition sources. Avoid

|                                    | contact with skin, eyes, and clothing.  |
|------------------------------------|---|
| Conditions for safe sto            | orage, including any incompatibilities  |
| Storage                            | <ul> <li>Store in a well-ventilated place, do not store above 120 F. Store in a cool, dry, well-<br/>ventilated place.</li> </ul>   |
| Section 8 - Exposure               | Controls/Personal Protection  |
| Control parameters                 |   |
| Exposure controls                  |   |
| Engineering<br>Measures/Controls   | <ul> <li>Good general ventilation should be used. Ventilation rates should be matched to<br/>conditions. If applicable, use process enclosures, local exhaust ventilation, or other<br/>engineering controls to maintain airborne levels below recommended exposure limits.<br/>If exposure limits have not been established, maintain airborne levels to an acceptable<br/>level.</li> </ul> |
| Personal Protective Equipr         | nent  |
| Pictograms                         |   |
| Respiratory                        | <ul> <li>Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European<br/>Standard EN 149. Use a NIOSH/MSHA or European Standard EN 149 approved<br/>respirator if exposure limits are exceeded or symptoms are experienced.</li> </ul>  |
| Eye/Face                           | Wear safety glasses.  |
| Hands                              | <ul> <li>Wear protective gloves/protective clothing/eye protection/face protection.</li> </ul>  |
| Skin/Body                          | <ul> <li>Wear protective gloves/protective clothing/eye protection/face protection. Wear synthetic apron.</li> </ul>  |
| Environmental Exposure<br>Controls | <ul> <li>Follow best practice for site management and disposal of waste.</li> </ul>   |

# Section 9 - Physical and Chemical Properties

# Information on Physical and Chemical Properties

| Material Description      |                   |                                   |   |

## Section 12 - Ecological Information

### Toxicity

· No data available

### Persistence and degradability

• Non-mandatory section - information about this substance not complied for this reason.

### Bioaccumulative potential

Non-mandatory section - information about this substance not complied for this reason.

**Mobility in Soil** 

Non-mandatory section - information about this substance not complied for this reason.

### Other adverse effects

Non-mandatory section - information about this substance not complied for this reason.

Ecological Fate • No data available.

Potential Environmental • No data available. Effects

## **Section 13 - Disposal Considerations**

### Waste treatment methods

| Product waste   | • | Dispose of content and/or container in accordance with local, regional, national, and/or international regulations. |
|-----------------|---|---|
| Packaging waste | • | Dispose of content and/or container in accordance with local, regional, national, and/or international regulations. |

|   | UN number      | UN proper shipping name | Transport hazard class(es) | Packing group  | Environmental hazards |  |  |
|---|----------------|-------------------------|----------------------------|----------------|-----------------------|--|--|
| DOT   | Not Applicable | Not Regulated           | Not Applicable             | Not Applicable | Not Applicable        |  |  |
| Special precautions for user      No data available |                |                         |                            |                |                       |  |  |

Transport in bulk according • No data available to Annex II of MARPOL 73/78 and the IBC Code

## Section 15 - Regulatory Information

## Safety, health and environmental regulations/legislation specific for the substance or mixture

SARA Hazard Classifications • Acute, Fire, Pressure(Sudden Release of)

### Other Information

• WARNING: This product contains a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm.
