

NI-E250TR 1200W Steam Circulating Iron

2015 HOME APPLIANCES

HOME

Model:
NI-E250TR

CURVED, NON-STICK TITANIUM-FINISH SOLEPLATE

Minimize tugging and wrinkling, and iron smoothly in any direction with a curved, titanium-finish soleplate. U-shape steam-circulating design evenly distributes steam. Enjoy neat, hassle-free storage with automatic retractable cord reel.

ADJUSTABLE STEAM AND DRY SETTINGS

Adjustable settings include HIGH for heavier and everyday fabrics, LOW for delicates and touch-ups and DRY for no steam output. Large water window clearly shows when water needs be added. Wide refill port prevents spills.

PRECISION DIAL TEMPERATURE CONTROL

Iron confidently with easy-dial precision temperature control.

ONE-TOUCH SPRAY MIST ANTI-CALCIUM SYSTEM

Instantly add moisture with one-touch spray mist button. This spray mist feature also helps clean iron steam vents. And an anti-calcium system reduces clogged steam vents by minimizing build-up in the iron's vaporizing chamber.

FEATURES

- U-Shape Steam Circulating Soleplate
- 1200 Watts
- Curved, Non-Stick Titanium-Finish Soleplate
- Automatic Retractable Cord Reel
- Adjustable Steam (High/Low/Dry)
- Large Water Window
- Wide Water Refill Port
- Precision Temperature Control Dial
- Temperature Ready Indicator Light
- One-Touch Spray Mist Button
- Anti-Calcium System
