

1500W Freestanding Electric Fireplace with Log Display

CAM20FSEF-1BLK

Fireplace Features

- Freestanding electric fireplace
- Flexible placement
- Curved mesh screen for panoramic views
- Dual heat settings
- Look and feel of a real fire display without all the maintenance
- Automatic thermal safety shut-off
- CSA certified

Radiate warmth wherever you wish with the help of this free standing fireplace from Cambridge. Enjoy the warm embrace and vision of fire without the dangers of a real open flame. The steel body and plastic front panel of this fireplace ensure durability while the thermal cutoff device promises safety.

Along with its two heat settings and classic log display, this piece also features a remote control that lets you adjust the heat as well as flame brightness as you please. With its easy installation, you can place this freestanding fireplace virtually anywhere to add that little something extra for comfort and cozy cabin-like aesthetic.
