- CSA certified

Amplify your entertainment space with the modern allure of the Santa Monica electric fireplace. This model is the perfect combination of convenience, comfort and design. It will quickly become the anchor of your television display and family room setup.

The electric insert produces 5,115 BTUs of fan-forced heat that can quickly warm a 210-sq. ft. room. An enchanting flame display dances across the back of the firebox, creating movement that is sure to catch your eye. Embers of light glaze across the logs within, adding highlights throughout the charred display. The heat settings can be adjusted at the push of a button, and the flames display with or without heat, making it perfect for use throughout the year.

Fireplace enthusiasts will enjoy the convenience of an electric unit. Its flexible placement allows you to move it from room to room, as needed. It will never produce ash or soot, and the logs will never need to be replenished. No need to for professional installation; simply plug it in and enjoy!
