

Safety Data Sheet PELLET GRILL FUEL

Section 1: Identification

Product Identifier

Product Name: Pellet Grill Fuel

Other Means of Identification

Not Available

Recommended use of the chemical and restrictions on use

For All Pellet-Fire Cookers

Suppliers Details

Name	B&B Charcoal Inc.
Address	P.O. Box 230 Weimar, TX 78962 USA
Telephone:	1-855-227-2625

Emergency Phone Number(s): 1-361-865-3444

Recommended Use: All Pellet-Fire Cookers

Section 2: Hazard Identification

2.1 Classification of the substance or mixture

GHS Classification in accordance with: (US) OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture

2.2 GHS Label elements, including precautionary statement

Not a hazardous substance or mixture.

2.3 Precautionary statement: May form combustible dust concentrations in air; eye irritation, skin irritation, and respiratory irritation. This product is intended for use in outdoor cookers only and for smoke flavoring, not for ingestion.

Section 3: Composition/Information on Ingredients

Components: Mix of oak hardwood and the wood indicated on the bag.

Note: The exact percentage (concentration) of composition has been withheld as a trade secret.

Section 4: First-Aid Measures

Eye Contact: Direct contact with wood pellets and/or wood dust may cause irritation and inflammation. Mechanical damage of the cornea may also occur.

First Aid: Wash eyes immediately with large amounts of water, occasionally lifting upper and lower lids, until no evidence of product remains. Get medical attention immediately.

Inhalation: Wood dust is a mucous membrane irritant if inhaled.

Skin Contact: Wood dust may cause skin irritation by means of mechanical abrasion.

Section 5: Fire-Fighting Measures

Flash Point: N/A

Auto-ignition Temperature: Typically 400 to 500 degrees Fahrenheit

Extinguishing Media: Water, CO2, Sand

Fire Fighting Procedures: Wet the wood pellets to reduce the likelihood of ignition. Remove burned or wet materials to an open area after the fire is extinguished.

Section 6: Accidental Release Measures

Personal Precautions: Avoid contact with eyes, skin, and throat. Ensure adequate ventilation.

Methods for Containment: Prevent further spillage if safe to do so.

Cleanup Procedures: Sweep or vacuum spills for recovery and disposal. Avoid creating dusty conditions. Provide good ventilation where dust conditions may occur. Recovered material may be handled in any of the following methods of Disposal: Containerized for landfill.

Section 7: Handling and Storage

Handling:	Handle with good hygiene and safety practice. Do not eat, drink, or smoke when using this product.
Storage:	Store in a cool, dry place.
Incompatible Products:	None known.

Section 8: Exposure Controls/Personal Protection

Engineering Controls:	Eyewash stations, showers, and ventilation systems.
Eye/Face Protection:	Wear safety glasses.
Skin Protection:	Wear neoprene or rubber gloves.
Respiratory Protection:	Not requirement under normal use conditions as long as adequate ventilation is present.

Section 9: Physical and Chemical Properties

Appearance & Odor:	Various shades of brown in color and various size length of pellets
pH:	Neutral
Specific Gravity (water = 1.0):	1.0-1.1
Particle Size:	Ranging in diameter from 0.237" to 0.262".

Section 10: Stability and Reactivity

Stability:	Stable
Avoid Contact with:	Oxidizing agents, drying oils, and flame. The product may ignite at temperatures in excess of 400 degrees Fahrenheit.
Hazardous Decomposition Products:	Thermal-oxidative degradation of wood produces irritating and toxic fumes and gases, including CO, aldehydes, and organic acids.

Section 11: Toxicological Information

Inhalation:	May irritate respiratory tract.
Eye Contact:	Dust may cause temporary eye irritation.
Skin Contact:	Minor or no effects expected.
Ingestion:	Minor or no effects expected.
Symptoms:	Inhalation may irritate the respiratory tract. Eye contact may cause redness or watering of the eyes.

Section 12: Ecological Information

Ecotoxicity:	N/A
Persistence and Degradability:	N/A
Bioaccumulation:	N/A
Other Adverse Effects:	N/A

Section 13: Disposal Considerations

Disposal Methods:	Dispose of the BBQ pellets in the trash. Recommended to not flush BBQ pellets down the toilet or dispose of it in gutters or storm drains.
-------------------	--

Section 14: Transport Information

UN Number:	N/A
Proper Shipping Name:	N/A
Hazard Class:	N/A
Hazard zone:	N/A
Packing Group:	N/A
Label/Placard Required:	N/A

Section 15: Regulatory Information

State of California Prop 65:	<u>WARNING</u> – Shipping and handling of the package may produce wood dust. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. Wood dust is known to the State of California to cause cancer and reproductive toxicity.
